[illegible]

The technical drawing illustrates the intersection of road sections 406 and 407. It details the layout of existing infrastructure, including buildings, fences, and utility poles, alongside proposed modifications shown with dashed lines. The plan includes specific measurements and labels for various points and distances:

- Distances and Points:** Labeled values include 120.9, 160, 180, 190.94, 197.98, 200, 210, 220, 230, 240, 250, 260, 270, 280, 290, 300, 310, 320, 330, 340, 350, 360, 370, 380, 390, 400, 410, 420, 430, 440, 450, 460, 470, 480, 490, 500, 510, 520, 530, 540, 550, 560, 570, 580, 590, 600, 610, 620, 630, 640, 650, 660, 670, 680, 690, 700, 710, 720, 730, 740, 750, 760, 770, 780, 790, 800, 810, 820, 830, 840, 850, 860, 870, 880, 890, 900, 910, 920, 930, 940, 950, 960, 970, 980, 990, 1000.
- Labels:** Includes "mj" (likely marking), "ke160", and "406-407".
- Infrastructure:** Shows a roundabout area, a parking lot, and several buildings/fences.
- Proposed Changes:** Indicated by dashed lines and arrows.
